Frequently Asked Questions

How do I submit a travel request?

Complete the Travel Request Form and submit it to your line manager for approval.

What documents are required?

A valid passport copy, proposed itinerary, and cost estimate. For international travel, also attach visa requirements for the destination country, if applicable.

How long does approval take?

Most requests are reviewed within 2–3 business days.

Who approves international travel?

The Department Head and the Controller or VP of Finance. [UAE equivalent: Department Head and Finance Director.]

Where do I find the Travel Request Form?

On the company SharePoint site under Forms & Resources → Travel

The Travel Request Form requires: proposed travel dates, estimated costs for international and ground transportation, hotel, visa fees (if applicable), and the purpose of the trip or business justification.

How do I get reimbursed for my trip expenses?

After your trip, submit actual costs through the standard expense process — see the **Expense Approval Workflow** for submission steps and the reimbursement timeline.
